## Tech Stack

## Educational

### Depok Vocational High School 3

2018-2021

#### Computer Engineering and Networking Program

Completed education with the title of best student at the graduation ceremony. Studied subjects such as Computer Systems, Basic Computer and Networking, Network System Administration, and Network Infrastructure Administration.

### Politeknik Negeri Jakarta

Since 2021

#### D4 Digital Multimedia Engineering Program

Completed courses with skills related to my expertise such as: 3D Modeling, 3D Animation, 2D Animation Principles, Visual Communication Design, Web Design, 2D Game Programming, and UI/UX Design.

July - November 2019

#### IT Support di UMY & DTETI UGM

Managing computer networks at UMY and UGM, including LAN cable repairs, network installations, and operating systems. Handling common issues such as office application errors and Wi-Fi network problems.

November 2021 - October 2023

#### Journalistic Fotografer Staff at GEMA PNJ

Some of my photos have been published on the GEMA social media platform. GEMA is an independent press organization at the Politeknik Negeri Jakarta.

Since 2022

#### Freelance Junior 3D Artist

I work on various client projects such as 3D modeling used for games and motion design for branding international conferences.

## Work Experience

February 2022 - December 2023

#### Creative Director of Himpunan Mahasiswa TIK PNJ

In HIMATIK, I am responsible for creating feeds for Instagram posts @himatikpnj. Additionally, I design and create motion graphics for podcasts if needed.

Sejak 2017

#### Freelance Computer Repair

I am capable of replacing and diagnosing faults in computer spare parts such as memory, storage, and keyboards in laptops. I am also proficient in installing operating systems on computers.

## My Skill

### Computer Networking

I can design and configure computer network topologies as well as install computer network devices such as switches, routers, access points, and network cables. I am also certified at KKNi LEVEL II.

### Language Proficiency

I am proficient in the English language with a TOEIC score of 635 (Year 2020). Additionally, I am also fluent in three local languages: Indonesian, Javanese, and Sundanese.

## Certification

Toeic (635 Score) **2020**

National Computer Networking Certificaiton **2020**

National Junior 3D Game Artist Certification **2024**

### Graphic Design

I can design social media feeds using professional software such as Adobe Creative Suite. I also understand design principles, producing aesthetically pleasing works with intelligent composition, typography, and color selection.

### 3D Modelling & Animation

I have skills in 3D modeling and animation using Blender 3D. I am proficient in geometry, texturing, lighting, and rendering to create accurate and detailed objects.
